If a "Yes" response has been supplied for any of the questions on the Medical, then the candidate must have the following completed by a physician. The NLS Committee will not assume responsibility for any medical problems which may occur during the course.

(To be completed by the Physician)

This person is a candidate for certification in a National Lifeguard Service training program. This involves not only strenuous exercise but also being subject to pressure which may affect lungs, ears, or nasal sinuses. Because of the lifeguard's responsibilities, the candidate should have 20/20 vision, with or without corrective lenses, and normal hearing.

Please state whether in your opinion they meet the above requirements and whether this person is fit to partake in the above mentioned activities. If you consider that they have any condition, temporary or permanent, which would preclude the activity or require further treatment or investigation, please comment.
